Make your own version of walk the plank. See if you can follow a straight line without falling off (into the shark infested waters). How could you make it more difficult? Don't forget to show us your results!

Alternatively, if you are looking for something a little more energetic why not join in our game of Captains coming. When pirate Pete calls an instruction, you follow it! ([See you tube video](#))

- Port – run left
- Starboard – run right
- Scrub the deck – pretend to scrub
- Climb the rigging
- Row your boat – sit down and pretend to row whilst singing row, row, row your boat
- Mermaid/Merman – hold one leg up off the ground and with your other hand wave and say hello
- Captains coming – salute
- Man overboard – lie on your back feet in the air
